*Indiana's
Commitment
to Primary
Prevention:
A State Free of
Sexual Violence*

Indiana State
Department of Health

Thursday, October 29, 2009
1:30 pm-4:00 pm
(Registration begins at 1:00 pm)

Indianapolis Central Library
Clowes Auditorium
40 E. St. Clair St.
Indianapolis, IN 46204

Keynote:

*Applying Prevention Science
to Sexual Violence:
Current Trends and Future
Directions*

Corinne Graffunder, Ph.D,
Centers for Disease Control
and Prevention.

At this summit, key recommendations of Indiana's first sexual violence primary prevention plan will be released. Sexual violence affects the safety and health of our communities and society, and EVERYONE has a role to play in the solution! Please come to learn about prevention efforts in Indiana and how you can become involved.

Please visit
www.in.gov/isdh/23820.htm
to RSVP.
